

FRUITS & VEGITABLES WASHER MACHINE

X RAY TEST, UT TEST, LOAD TEST & QA APPROVED

We are proud to offer the best support and service guarantee for our FRUITS and VEGETABLES WASHER MACHINE. We will always be there to answer any questions you have and provide top-notch customer service.

ABOUT PRODUCT

We design and manufacture various types of vegetable washers considering that different fruits and vegetable like leafy, soft, hard and root vegetable require separate washing and handling systems based on their size, shape and level of dirtiness.

Introducing the Fruits & Vegetables Washer Machine! This innovative product can reduce up to 10 manpower hours, and it uses very low water consumption because of the water circulation process. Plus, it's easy to operate and is perfect for small and medium industries.
